4. **Introduction**

4.1 **Overview**

4.1.1 These Funding Rules are current as at the date of signing and have been prepared in accordance with the requirements of the ARC Act in force then.

4.1.2 The *Australian Laureate Fellowships* scheme is funded under the Discovery Program of the ARC’s *National Competitive Grants Program*.

4.1.3 The *Australian Laureate Fellowships* scheme reflects the Commonwealth’s commitment to support excellence in research by attracting world-class researchers and research leaders to key positions in Australia.

4.1.4 For the purposes of these Funding Rules, research is defined as the creation of new knowledge and/or the use of existing knowledge in a new and creative way so as to generate new concepts, methodologies and understandings. This could include synthesis and analysis of previous research to the extent that it is new and creative. This definition of research is consistent with a broad notion of research and experimental development (R&D) as comprising “creative work undertaken on a systematic basis in order to increase the stock of knowledge, including knowledge of man [human-kind], culture and society, and the use of this stock of knowledge to devise new applications”\(^1\).

4.1.5 The ARC undertakes periodic evaluations of the performance and administration of the schemes under the *National Competitive Grants Program*.

4.2 **Australian Laureate Fellowships**

4.2.1 The objectives of the *Australian Laureate Fellowships* scheme are to:

a. attract and retain outstanding researchers and research leaders of international repute;

b. build and strengthen world-class research capability in Australia;

---

d. expand Australia’s knowledge base by supporting ground-breaking, internationally competitive research;

e. forge strong links among researchers, the international research community and/or industry;

f. support research that will result in economic, environmental, social and cultural benefits for Australia.

4.2.2 Open to applications from outstanding researchers of international repute, the Australian Laureate Fellowships scheme encourages Proposals involving Australian or international researchers.

4.2.3 Preference will be given to researchers who will play a significant, sustained leadership and mentoring role in building Australia’s internationally competitive research capacity.

4.2.4 Up to 17 Australian Laureate Fellowships may be awarded for funding commencing in 2013, including two additional fellowships as outlined in subsection 4.2.5.

4.2.5 Up to two additional Australian Laureate Fellowships may be awarded to successful female Australian Laureate Fellows for funding commencing in 2013. A Kathleen Fitzpatrick Australian Laureate Fellowship will be available to a highly ranked female candidate from the humanities, arts and social science disciplines, and a Georgina Sweet Australian Laureate Fellowship will be available to a highly ranked female candidate from the science and technology disciplines. Recipients will be provided with additional funding to undertake an ambassadorial role to promote women in research. Funding for approved projects will commence with effect 1 July 2013, unless other arrangements are approved by the ARC.

5.1.6 Australian Laureate Fellowships are funded for five years on a full-time basis, subject to sufficient funding being available for Australian Laureate Fellowships, the provisions of the ARC Act, and continued satisfactory progress of the Project.

5.1.7 PDRAs are awarded for five years on a full-time basis, subject to sufficient funding being available and continued satisfactory progress of the PDRA as determined by the ARC. The ARC encourages publication in publicly accessible outlets and the depositing of data and any publications arising from a Project in an appropriate subject and/or institutional repository.
5.3 **Budget Items Not Supported**

5.3.1 Budget items which will not be supported by ARC funding and should not be requested in the budget include:

a. ‘bench fees’ or similar laboratory access fees levied by the organisation;

5.4.2 The Australian Laureate Fellowships scheme does not support medical and dental research, defined as research and/or training primarily and substantially aimed at understanding or treating a human disease or human health condition. Where a proposal satisfies all other eligibility requirements set out in the Funding Rules, the ARC may support Projects where the primary aim is a commercial outcome in addition to Research and Development and the Project does not include clinical trials.
6. **Organisational Types, Roles and Eligibility**

6.1 **Eligible Organisations**

6.1.1 A Proposal may only be submitted by an Eligible Organisation listed at Appendix A.

6.1.2 The Eligible Organisation which submits the Proposal will be the Administering Organisation.

6.1.3 The Administering Organisation must provide Australian Laureate Fellows with a Level E professorial appointment (or equivalent) and salary for the duration of the Australian Laureate Fellowship.

6.1.4 The Administering Organisation must employ the Australian Laureate Fellow on a full-time basis for the duration of the Australian Laureate Fellowship.

7. **Roles and Eligibility for Researchers**

7.1 **Eligibility Criteria for Australian Laureate Fellows**

7.1.1 A Proposal must nominate one Australian Laureate Fellowship Candidate.

7.1.2 A Proposal may be submitted for an Australian Laureate Fellowship by an Australian or international researcher. An Australian Laureate Fellowship Candidate may hold a continuing or non-continuing appointment in Australia or overseas at the time the Proposal is submitted.

7.1.3 At the time of the submission of a Proposal, all obligations regarding previously funded ARC projects involving the Australian Laureate Fellowship Candidate must have been fulfilled to the satisfaction of the ARC. Such obligations include the provision of satisfactory Progress and Final Reports.

7.1.4 Australian Laureate Fellows must legally reside predominantly in Australia for the duration of the Australian Laureate Fellowship, except where ARC approval has been granted.

7.1.5 Prior to the commencement of an Australian Laureate Fellowship, any existing responsibilities must be relinquished, except the Australian Laureate Fellowship Level E salaried position, unless otherwise approved by the ARC. ARC approval must also be obtained for any post-award responsibilities.

7.1.6 At the closing time of submission of Proposals, an Australian Laureate Fellowship Candidate who holds an ARC or NHMRC Fellowship or Award may apply for an Australian Laureate Fellowship only in the final year of her/his Fellowship. A Fellowship or Award is considered to be funded for the years set out in the Funding Agreement.

7.1.7 If an Australian Laureate Fellowship Candidate holds or has applied for any other ARC Fellowships, or any fellowships from other funding bodies, the Candidate must have agreed, if the Proposal is successful, to relinquish those other fellowships, prior to the commencement of the Australian Laureate Fellowship.

7.1.8 Australian Laureate Fellows are expected to work full-time on research and research capacity-building activities. Research capacity-building activities could include research leadership in teams and centres (ARC Centres or other research-related centres) and supervision of postgraduate students, but do not include a major role in administration. While an Australian Laureate Fellow’s principal duty is to undertake research, it is also important to specify in the Proposal the role he/she would be
expected to play within the Administering Organisation, and if applicable, the ARC Centre.

7.1.9 The Administering Organisation must ensure the Australian Laureate Fellow has access to periods of up to 14 weeks paid maternity leave where such leave is taken during the course of the Australian Laureate Fellowship. The ARC will provide up to 14 weeks funding for this purpose and the Australian Laureate Fellowship period will be extended for a period equivalent to the duration of the paid maternity leave. The funding for this purpose is to be claimed by the Administering Organisation through submission of a *Variation of Funding Agreement*.

7.1.10 The Administering Organisation must ensure that Australian Laureate Fellows are entitled to take up to two weeks paid partner/parental leave at the time of birth or adoption to the parent who is not identified as the primary caregiver during the course of the Australian Laureate Fellowship. The ARC will provide up to two weeks funding for this purpose and the Australian Laureate Fellowship period will be extended for a period equivalent to the duration of the paid partner/parental leave. The funding for this purpose is to be claimed by the Administering Organisation through submission of a *Variation of Funding Agreement*.

7.1.11 The Australian Laureate Fellow may spend up to 0.15 FTE of her/his time annually on teaching activities. The Australian Laureate Fellowship will not be extended to accommodate any periods of teaching. Supervision of honours or postgraduate students is not included in this limit. Australian Laureate Fellows are expected to pursue research that is at the international leading edge in their field. To facilitate this aim, Australian Laureate Fellows may, with the approval of the Minister, undertake research overseas for periods of up to two years in total, providing that the Administering Organisation clearly demonstrates this is in the best interests of the research and its outcomes, and of national benefit to Australia.

7.2 *Eligibility Criteria for Postdoctoral Research Associates*

7.2.1 A PDRA must have been awarded a PhD or obtain approval from the ARC as having a research degree or experience equivalent to the award of a PhD.

7.2.2 The total number of funded PDRA full-time equivalent (FTE) Positions can be varied to meet the needs of the project. It is the responsibility of the Administering Organisation to ensure that the total number of funded FTE equivalent Positions is not exceeded over the life of the project.

7.2.3 Approval may be sought from the ARC for a PDRA to undertake overseas research for up to two years, provided that it is in the best interests of the research and its outcomes, and of national benefit to Australia.

7.2.4 The Administering Organisation must ensure the PDRAs have access to periods of up to 14 weeks paid maternity leave where such leave is taken during the course of the Australian Laureate Fellowship. The ARC will provide up to 14 weeks funding for this purpose and the PDRA will be extended for a period equivalent to the duration of the paid maternity leave. The funding for this purpose is to be claimed by the Administering Organisation through submission of a *Variation of Funding Agreement*.

7.2.5 The Administering Organisation must ensure that PDRAs are entitled to take up to two weeks paid partner/parental leave at the time of birth or adoption to the parent who is not identified as the primary caregiver during the course of the Australian Laureate Fellowship. The ARC will provide up to two weeks funding for this
purpose and the PDRA will be extended for a period equivalent to the duration of the paid partner/parental leave. The funding for this purpose is to be claimed by the Administering Organisation through submission of a Variation of Funding Agreement.

7.3 Eligibility Criteria for Postgraduate Researchers

7.3.1 To be eligible to receive postgraduate research funding, a student must:

a. be enrolled in a full-time postgraduate research degree at an Eligible Organisation;

b. have an appropriate Honours 1 or 2A (or equivalent) undergraduate degree (this may be relaxed where a candidate has developed considerable research expertise in industry);

c. not be receiving similar funding or stipend from another Commonwealth program;

d. not have completed a degree at the same level or at a higher level in the same field of endeavour; and

e. not previously have held an Australian Postgraduate Award (APA) or Australian Postgraduate Award Industry (APAI) unless it was terminated within the first six months of the earlier award.

8. Kathleen Fitzpatrick Australian Laureate Fellowship and Georgina Sweet Australian Laureate Fellowship

8.1.1 The Kathleen Fitzpatrick Australian Laureate Fellowship and Georgina Sweet Australian Laureate Fellowship aim to encourage applications from female researchers, and are intended to attract a larger number of applications from women who are researchers and research leaders of international repute. These two fellowships involve the provision of additional funding for the recipients to undertake an ambassadorial role. This role involves the promotion of women in research in Australia, and the mentoring of early career researchers, particularly women, to enter and to establish careers in the humanities, arts and social sciences, and also in science and technology.

8.1.2 A Kathleen Fitzpatrick Australian Laureate Fellowship will be available to a highly ranked female candidate from the humanities, arts and social science disciplines, and a Georgina Sweet Australian Laureate Fellowship will be available to a highly ranked female candidate from the science and technology disciplines.

8.1.3 Recipients of a Kathleen Fitzpatrick Australian Laureate Fellowship and Georgina Sweet Australian Laureate Fellowship will be subject to the same conditions and obligations that apply to Australian Laureate Fellowships as outlined in these Funding Rules.

8.1.4 In addition to the level of funding outlined in Section 9.1, the ARC will provide funding of up to $20,000 per annum (for five years) to each of the successful recipients of a Kathleen Fitzpatrick Australian Laureate Fellowship and Georgina Sweet Australian Laureate Fellowship. This additional funding must be used by successful recipients to undertake an ambassadorial role to promote women in research.
8.1.5 Candidates who apply for a *Kathleen Fitzpatrick Australian Laureate Fellowship* or a *Georgina Sweet Australian Laureate Fellowship* will be required to indicate their willingness to take on the ambassadorial role within their Proposal, including providing a brief outline of their proposed activities.

8.1.6 To be eligible to apply for a *Kathleen Fitzpatrick Australian Laureate Fellowship* or a *Georgina Sweet Australian Laureate Fellowship*, the candidate must be female. This is in addition to the eligibility criteria for Australian Laureate Fellows outlined in Section 7 of these Funding Rules.

8.1.7 Candidates who apply for a *Kathleen Fitzpatrick Australian Laureate Fellowship* or a *Georgina Sweet Australian Laureate Fellowship* will be assessed against the same selection criteria as all Australian Laureate Fellowship Candidates (see Section 4.3 of these Funding Rules). For the additional fellowships, preference will be given to candidates who are able to demonstrate outstanding mentoring and capacity building qualities.

8.1.8 Candidates who are unsuccessful in obtaining a *Kathleen Fitzpatrick Australian Laureate Fellowship* or a *Georgina Sweet Australian Laureate Fellowship* will still be considered for an Australian Laureate Fellowship.

8.1.9 The ARC may in its absolute discretion decide not to award one or both of these additional fellowships.

9. **Salary Support**

9.1 **Australian Laureate Fellowship Salary Support**

9.1.1 The ARC will provide a salary supplement to a Professorial Level E (or equivalent).

The figures in the tables below are based on the 2013 levels of funding and will be subject to variation (for example, due to annual indexation). Updated levels will be available on the ARC website at [www.arc.gov.au/applicants/salaries.htm](http://www.arc.gov.au/applicants/salaries.htm).

10. **Number of Proposals, Funded Projects and Cross-scheme Eligibility**

10.1 **Number of Proposals and Funded Projects**

10.1.1 Australian Laureate Fellowship Candidates may be nominated on no more than one Proposal in this funding round, evaluated as at the closing time of submission of Proposals, regardless of any subsequent change in, or withdrawal of Proposals. Submitting Proposals that exceed this limit will result in all Proposals involving the relevant researcher not being recommended for funding.

10.1.2 The Funding Rules for other ARC funding schemes may specify limits on the number of Proposals or Projects Australian Laureate Fellows may hold under those schemes.

10.1.3 Australian Laureate Fellows cannot apply for a subsequent Australian Laureate Fellowship.

10.2 **Proposal Eligibility and Duplication**

10.2.4 The ARC will assess whether a Proposal meets the eligibility requirements in these Funding Rules and may recommend that a Proposal that does not meet the requirements be deemed ineligible.

10.2.5 A decision under subsection 10.2.4 may be made by the ARC at any stage during assessment of the Proposal and may result in non-progression of the Proposal to the next level of assessment.

Such processes must comply with the NHMRC/ARC/UA *Australian Code for the Responsible Conduct of Research (2007)* and any relevant successor document.
12. Selection and Approval Process

12.1 Assessment and Selection Process for Proposals

12.1.1 Assessment of Proposals is undertaken by the ARC, which has the right to make recommendations for funding to the Minister, based on any number of assessments or solely on the basis of its expertise.

12.1.2 All Proposals will be considered against eligibility criteria and compliance with the Funding Rules.

12.1.3 All Proposals may be:

a. assigned to independent assessors, from a range of organisations, who will assess and report, which may include written comments, on the Proposal against the selection criteria; and

b. ranked and allocated a budget, relative to other Proposals, by the Selection Advisory Committee (SAC), on the basis of the Proposal, any assessors’ reports and any rejoinder.

12.1.4 Following the recommendations of the ARC College or other Selection Advisory Committee, the CEO must make recommendations to the Minister in relation to what Proposals should be approved and at what level of funding, and what Proposals should not be approved.

12.1.5 The ARC has procedures in place for managing organisational and personal Conflicts of Interest for assessors, members of the ARC College or SAC, members of other ARC Committees and ARC staff.

12.2 Rejoinder

12.2.1 The Administering Organisation may be given the opportunity for a rejoinder to assessors’ written comments, and to provide any additional information requested by the ARC. Names of assessors will not be provided to the Administering Organisation.

12.4 Recommendations and Offer of Funding

12.4.1 In accordance with the ARC Act, the ARC Chief Executive Officer will submit funding recommendations to the Minister for consideration. The Minister will determine which Proposals will be approved and the amount and timing of funding to be paid to Administering Organisations for approved Proposals.

12.4.5 The Minister may vary the funding approval if the ARC recommends that the particular circumstances of the Project warrant variation. Any variation or change will accord with the Australian Laureate Fellowships Funding Rules and Funding Agreement.

13. Appeals Process

13.1.1 Applicants for funding under the schemes of the NCGP are able to submit an appeal against administrative process issues. The appeals process is designed to ensure that the applicant has been treated fairly and consistently in the context of the selection procedures.

13.1.3 Appeals must be submitted by the Administering Organisation on the ARC Appeals Form on the ARC website at www.arc.gov.au/applicants/appeals.htm, authorised by a Deputy Vice-Chancellor (Research), Chief Executive Officer or equivalent. Appeals must be received within 28 days of the date of the notification to the Administering Organisation of the outcome of Proposals. The ARC will not accept appeals later than 5.00 pm (AEDT/AEST) on the date of submission of the appeal.

13.1.4 Appeals must be addressed and sent to the address advised at the beginning of these Funding Rules. The ARC will accept both electronic and hard copy Appeal submissions.

14.1 Progress Reports

14.1.1 Year 1: Report by Exception. A report must only be submitted if significant issues are affecting the progress of the Project. The report must specify the actions being taken to address the issues. Years 2, 3 and 4: A Progress Report must be submitted with the instructions to be provided by the ARC each year.

14.1.2 If the ARC is not satisfied with the progress of any Project, further payment of funds will not be made until satisfactory progress has been made on the Project. If satisfactory progress is still not achieved within a reasonable period of time, the funding may be terminated and all outstanding monies will be recovered by the ARC.

14.1.3 When required, Progress Reports must be submitted by 31 March in the year following each calendar year for which the funding was awarded as directed by the ARC.
14.2 **End of Year Reports**

14.3.3 If any reports are not submitted or are not satisfactory to the ARC this will be noted against future Proposals submitted by the Australian Laureate Fellow.

14.3.4 The ARC may also seek additional information about subsequent publications after submission of the Final Report.

14.4 **Audited Financial Statement**

14.4.1 In accordance with section 58 of the ARC Act, the Administering Organisation must submit an Audited Financial Statement by 30 June for each year following each calendar year for which the funding was awarded.
