The provision of any Funding for a Project is conditional on all information contained in the Proposal for that Project and all reports required by this Agreement from the Administering Organisation being complete, accurate and not misleading. The Commonwealth regards inaccurate and misleading information as including, but not being limited to, claiming fictitious track records, inflating funds obtained from other sources and false claims in the publication record, for example, describing a paper as being ‘in press’ or accepted even though it has only been submitted.

6.2. If the Commonwealth considers that a Proposal for a Project, or any report provided under this Agreement, contains incomplete, inaccurate or misleading information, the Commonwealth may by notice in writing to the Administering Organisation do any or all of the following:

In addition, each Project will be conducted in accordance with the ‘Project Description’ contained in the Proposal, or any revised budget, aims and research plan which have been submitted by the Administering Organisation and approved by the ARC. In the case that the Administering Organisation is granted a lesser amount of funding than was requested for a Project, the Administering Organisation should ensure that a revised budget is agreed with the Project Leader before the commencement of the Project.

7.2. The Administering Organisation must ensure that expenditure on each Project described in Schedule A is in accordance with the ‘Project Description’ contained in the Proposal.
and within the broad structure of the proposed ‘Project Cost’ detailed in the Proposal or any revised budget, aims and research plan submitted by the Administering Organisation which has been approved by the ARC.

8.5. The Administering Organisation must ensure that any Personnel who are employed full-time on a Project and whose salary is provided from the Funding, shall not, without the prior agreement of the ARC, accept any remuneration whatsoever from any source other than the Administering Organisation in respect of work performed on the Project.

9. **Over-expenditure by the Administering Organisation**

9.1. Any Project expenditure incurred by the Administering Organisation for a Project additional to the approved amount for that Project specified in Schedule A, or as otherwise varied by the ARC, is the responsibility of the Administering Organisation. The Commonwealth will not reimburse the Administering Organisation for such costs under any circumstances.

10. **Multi-Institutional Agreements**

Such arrangements must, unless otherwise approved by the ARC, comply with the National Principles of Intellectual Property Management for Publicly Funded Research; and

g) do not impede or prevent the Administering Organisation from complying with any of its obligations under this Agreement.

10.3. A written agreement entered into under this clause 10 must continue to satisfy the requirements of this clause 10 at all times during the Funding Period for the Project.

10.4. Unless otherwise approved by the ARC, the Administering Organisation must ensure that it and each Collaborating Organisation provide the contribution as set out in the Proposal for each Project. However, if the Funding for a Project is less than the amount requested in the Proposal for that Project, the contributions from Collaborating Organisations may be reduced by the same proportion.

10.5. Except in the case of subscriptions or other payments to major international facilities, or as otherwise approved by the ARC, all contributions, including from Collaborating Organisations are to be expended within 12 months of the commencement of Funding for the Project.

10.6. The Administering Organisation will retain the written agreement(s), and make them available to the ARC if required.

Where a Project involves coordinated access to an international facility, the Administering Organisation must not allow the Project to commence, nor Funding to be expended, until it has entered into a written agreement with each international facility for that Project in accordance with this clause 11.

11.2. The written agreement required by clause 11.1 must accord with the arrangements outlined in the Proposal and include provisions that:

a) outline the role and contribution of the Administering Organisation and the international facility;

e) do not impede or prevent the Administering Organisation from complying with any of its obligations under this Agreement.

11.3. A written agreement entered into under this clause 11 must continue to satisfy the requirements of this clause 11 at all times during the Funding Period for the Project.

11.4. The Administering Organisation will retain the written agreement(s), and make them available to the ARC if required.

12.1. If the Administering Organisation receives notice that a Collaborating Organisation wishes to withdraw its support for a Project, or reasonably believes that a Collaborating Organisation is in default of any of its obligations under a written agreement entered into between that organisation and the Administering Organisation under clause 10, the Administering Organisation must immediately notify the ARC.

12.2. If the Administering Organisation wishes to proceed without the defaulting Collaborating Organisation, and without a replacement Collaborating Organisation, the Administering Organisation must submit a *Variation of Funding Agreement* to remove the defaulting organisation from the Project. The Administering Organisation and remaining Collaborating Organisations must enter into a written agreement, or amend any existing agreement (as appropriate) consistent with clause 10 to reflect the revised Collaborating Organisation contribution arrangements. 12.3. Should the Administering Organisation wish to proceed with a replacement Collaborating Organisation, it must complete the procedure listed below within three months from the date of notification to the Administering Organisation from the defaulting organisation or from the date on which the Administering Organisation became aware that the defaulting organisation is not meeting its obligations, whichever is the earlier. By the end of the three-month period referred to in this clause:

a) the Administering Organisation must submit a *Variation of Funding Agreement* to remove the defaulting organisation and add the replacement Collaborating Organisation to the Project; and

b) the Administering Organisation and the replacement Collaborating Organisation must enter into a written agreement, or amend any existing agreement (as appropriate) consistent with clause 10 to reflect the revised Collaborating Organisation contribution arrangements.
12.4. The ARC may approve a replacement Collaborating Organisation if the replacement organisation meets the eligibility criteria as specified in the Funding Rules.

12.5. If the ARC approves the removal of a Collaborating Organisation or the addition of a replacement Collaborating Organisation, the Administering Organisation must within three months of the date of approval by the ARC provide confirmation to the ARC that the new or revised agreements have been effected.

13. **Commencement of the Project**

13.1. Subject to clause 14, the Project must commence by no later than 30 June 2016, unless the commencement has been deferred to a later date approved by the ARC.

14. **Deferment of Commencement of the Project**

14.1. If the Administering Organisation wishes to defer commencement of a Project beyond 30 June 2016, a written request justifying the requested deferral in terms of special circumstances must be made to the ARC, through the Administering Organisation’s Research Office, by submitting a *Variation of Funding Agreement* request, prior to 30 June 2016.

14.2. Other than in exceptional circumstances, the ARC will not approve the commencement of a Project beyond 30 September 2016. The ARC may recover Funding for any Project which has not commenced by 30 September 2016.

15.2. The Administering Organisation shall provide each Specified Personnel with a copy of this Funding Agreement within a reasonable time after the execution of the Agreement.

15.3. The Administering Organisation warrants that it has made proper inquiries of the Specified Personnel in relation to their eligibility to perform the Project.

15.4. The Administering Organisation shall ensure that, unless otherwise approved by the ARC, all Specified Personnel meet the criteria specified in the Funding Rules for the full term of their participation in the Project.

15.5. The Administering Organisation must ensure that each of the Specified Personnel who is to work on a Project has the approval of her/his employing organisation to participate in the Project. The Administering Organisation does not require the agreement of the employing organisation of an overseas-based PI (unless they are employed by the Administering Organisation) to participate in the Project.

15.6. The Administering Organisation shall ensure that all Conditions of Employment as detailed in this agreement are met.
16. **Change of Specified Personnel**

16.1. If a CI or PI is at any time during the term of a Project no longer able to continue working on the Project, the Project may continue provided that:

   a) there is at least one original CI working on the Project;
   
   b) all replacement CIs or PIs ('New Personnel') meet the eligibility criteria, as specified in the Funding Rules for the particular role they are to perform, for the period for which they are to perform that role;
   
   c) all replacement CIs or PIs must have research expertise which is commensurate with the standard of the original research team which was awarded the Project;

17.2. If the transferring Specified Personnel is the Project Leader, then the Administering Organisation may seek the ARC’s approval for the transfer of the Project to a new Eligible Organisation by submitting a *Variation of Funding Agreement* request outlining arrangements for the continuation of the Project and the continued administration of the Funding.

17.3. If the proposed arrangements include a transfer of the Funding from the Administering Organisation to another Eligible Organisation which will then become the new Administering Organisation ('recipient Eligible Organisation'), the ARC shall have regard to the circumstances surrounding the proposed transfer and may approve the transfer subject to such conditions as the ARC considers appropriate. The request must provide evidence that the following parties agree to the transfer:

      ii. provide to the ARC, in writing, the amount of all unspent Funds for the Project, including any unspent funds not located at the Administering Organisation and pay the ARC such unspent Funds. The ARC may then provide the unspent Funds to the recipient Eligible Organisation;

      iv. comply with any other directions reasonably given by the ARC to give effect to the transfer;
   b) the recipient Eligible Organisation must:
      i. enter into a new, or vary an existing, Funding Agreement it has with the ARC to give effect to the changed Funding arrangements for the Project;
      ii. report expenditure of Funding for the Project subsequent to the transfer in its End of Year Report and identify the transfer in that Report; and
      iii. enter into a written agreement with the Project’s Collaborating Organisations of the type set out in clause 10.

17.7. If Funding for a Project which was previously administered by another Eligible Organisation is to be transferred to a new Administering Organisation, the new Administering Organisation must ensure that the Project which is being transferred, and all named participant/s performing the Project satisfy the eligibility and accountability requirements of the Funding Rules and terms and conditions of this Agreement.

c) If the ARC is not satisfied with the progress of the Project, further payment of Funds will not be made until satisfactory progress has been made on the Project. If satisfactory progress is still not achieved within a reasonable period of time, the Funding may be terminated and all outstanding monies will be recovered by the ARC.

c) the Final Report must contain information which the ARC may publicise regarding the details of research infrastructure funded (including any subscription or memberships).

d) The ARC may also seek additional information about subsequent outputs and outcomes after submission of the Final Report.
e) If a Final Report is considered by the ARC to be inadequate or is not submitted on time, the Administering Organisation of the Project may be contacted for further information. If the ARC is not satisfied with the outcomes of the Project, this may be noted against any further proposals under any ARC scheme submitted on behalf of any CI on the Project, and may be taken into account in the assessment of those proposals.

f) Proposals submitted under any ARC scheme on behalf of any CI on a Project for which the Final Report is outstanding may be deemed ineligible for approval of Funding.

31.5. The ARC requires Administering Organisations to inform the ARC when significant problems occur with an ARC-funded Project and/or with any serious matters concerning associated named Personnel. Such reporting matters should be directed to the ARC Postaward team.

31.6. This clause survives the expiration or earlier termination of this Agreement.

32. Complaints and Allegations Relating to Research Integrity and Research Misconduct
