3. Entire Agreement and Variation

3.1. This Agreement, including Schedules, the Proposal for each Project and the Funding Rules constitutes the entire agreement between the parties and supersedes all communications, negotiations, arrangements and agreements, whether oral or written, between the parties with respect to the subject matter of this Agreement.

3.2. Notwithstanding clause 3.1, the Minister may at any time impose other requirements or conditions in connection with any Funding covered by this Agreement as provided for under the Act. The Administering Organisation must as soon as possible or as otherwise
agreed in writing with the ARC, comply (or procure compliance) with any other Ministerial conditions or requirements notified by the ARC from time to time. 6.1. The provision of any Funding for a Project is conditional on all information contained in the Proposal for that Project and all reports required by this Agreement from the Administering Organisation being complete, accurate and not misleading. The Commonwealth regards inaccurate and misleading information as including, but not being limited to, claiming fictitious track records, inflating funds obtained from other sources and false claims in the publication record, e.g. describing a paper as being ‘in press’ or accepted even if it has only been submitted.

6.2. If the Commonwealth considers that a Proposal for a Project or any report provided under this Agreement contains incomplete, inaccurate or misleading information, the
Commonwealth may by notice in writing to the Administering Organisation do any or all of the following:

8. Use of the Funding: Provision of Salaries

8.1. The Funding specified in Schedule A must not be used for the provision of salary support for Specified Personnel.

8.2. 8.5. The Administering Organisation must ensure that any Personnel who are employed full-time on a Project and whose salary is provided from the Funding shall not, without the prior agreement of the ARC, accept any remuneration whatsoever from any source other than the Administering Organisation in respect of work performed on the Project.

9. Over-expenditure by the Administering Organisation

9.1. Any Project expenditure incurred by the Administering Organisation for a Project additional to the approved amount for that Project specified in Schedule A, or as otherwise varied by the ARC, is the responsibility of the Administering Organisation. The Commonwealth will not reimburse the Administering Organisation for such costs under any circumstances.

10. Multi-Institutional Agreements

10.1. The Administering Organisation must not allow a Project to commence, nor Funding to be expended, until it has entered into a written agreement in respect of a Project with each Collaborating Organisation for that Project in accordance with this clause 10.

10.2. The Administering Organisation must reach agreement with each Collaborating Organisation and enter into a written agreement with each such organisation before the final date for commencement of the Project as determined in accordance with clauses 12 and 13.

10.3. The written agreement required by clause 10.1 must accord with the arrangements outlined in the Proposal and include provisions that:

e) describe the Intellectual Property arrangements that apply to the outcome or results generated by the Project. Such arrangements must comply with the National Principles of Intellectual Property Management for Publicly Funded Research available on the ARC website (http://www.arc.gov.au/about_arc/policy.htm); and

f) do not impede or prevent the Administering Organisation from complying with any of its obligations under this Agreement.

10.4. A written agreement entered into under this clause 10 must continue to satisfy the requirements of this clause 10 at all times during the Funding Period for the Project.

10.5. Unless otherwise approved by the ARC, the Administering Organisation must ensure that it and each Collaborating Organisation provides the Organisational Funding Contributions as set out in the Proposal for each Project. However, if the Funding for a Project is less than the amount requested in the Proposal for that Project, the Organisational Funding Contributions may be reduced by the same proportion. In all cases, the Organisational Funding Contributions must satisfy the requirements of this Agreement and the Funding Rules.

10.6. Except in the case of subscriptions or other payments to major international facilities, or as otherwise approved by the ARC, all contributions, including from Collaborating Organisations are to be expended within 12 months of the commencement of Funding for the Project.

10.7. The Administering Organisation will retain the written agreements, and make them available to the ARC if required.

11. Default of Collaborating Organisation

11.1. If the Administering Organisation receives notice that a Collaborating Organisation wishes to withdraw its support for a Project, or reasonably believes that a Collaborating Organisation is in default of any of its obligations under a written agreement entered into between that organisation and the Administering Organisation under clause 10, the Administering Organisation must immediately notify the ARC and may attempt to find a replacement Collaborating Organisation for the Project, or modify the remaining Collaborating Organisation arrangements, in accordance with the procedure outlined in clause 11.2.

11.2. Should the Administering Organisation wish to proceed with a replacement Collaborating Organisation or modify organisational arrangements as allowed under clause 11.1, it must complete the procedure listed below within three months from the date of notification from the Collaborating Organisation or from the date on which the Administering Organisation became aware that the Collaborating Organisation is not meeting its obligations, whichever is the earlier. By the end of the three-month period referred to in this clause:

a) the Administering Organisation must request, in writing, the ARC’s approval of a replacement Collaborating Organisation or modified arrangements for the remaining Collaborating Organisations which comply with the requirements for the
Organisational Funding Contribution specified in this Agreement and the Funding Rules;

b) the replacement or remaining Collaborating Organisations must provide a written undertaking to provide (in total) a replacement contribution equivalent to that which would have been provided by the Collaborating Organisation in default and which satisfies the requirements of this Agreement and the Funding Rules; and

c) the Administering Organisation and the replacement Collaborating Organisation or remaining organisations must enter into a written agreement, or amend any existing agreement (as appropriate) consistent with clause 10 to reflect the revised Organisational Funding Contribution arrangements.

11.3. The ARC may approve a replacement Collaborating Organisation if the replacement organisation meets the eligibility criteria as specified in the Funding Rules.

11.4. If the ARC approves a replacement Collaborating Organisation or modified Organisational Funding Contribution arrangements required under clause 11.2, the Administering Organisation must provide confirmation to the ARC within three months of the date of approval by the ARC that the new or revised agreements have been effected.

11.5. To avoid doubt, the Funding condition set out in clause 5.2(g) will not have been satisfied if:

12. Commencement of the Project

12.1. Subject to clause 13, the Project must commence by no later than 31 July 2013, unless the commencement has been deferred to a later date approved by the ARC.

13. Deferment of Commencement of the Project

13.1. If the Administering Organisation wishes to defer commencement of a Project beyond 31 July 2013, a written request justifying the requested deferral in terms of special circumstances must be made to the Scheme Coordinator, through the Administering Organisation’s Research Office, by submitting a Variation of Funding Agreement request, prior to 31 July 2013.

13.2. The Administering Organisation must not defer commencement of the Project beyond 31 July 2013 unless the Administering Organisation has received written approval from the ARC.

13.3. Other than in exceptional circumstances, the ARC will not approve the commencement of a Project beyond 31 October 2013. The ARC may recover Funding for any Project which has not commenced by 31 October 2013.
14. **Specified Personnel**

14.1. The Administering Organisation shall ensure that the Specified Personnel conduct the Project in a diligent and competent manner and comply with this Agreement.

14.2. The Administering Organisation shall provide each CI and PI with a copy of this Funding Agreement within a reasonable time after the commencement of the Funding.

14.3. The Administering Organisation warrants that it has made proper inquiries of the Specified Personnel in relation to their eligibility to perform the Project.

14.4. The Administering Organisation shall ensure that, unless otherwise approved by the Commonwealth, all CIs named in Schedule A or subsequently approved to perform any Project, meet the criteria specified in clause 7.1 and 7.2 of the Funding Rules for the full term of their participation in the Project as a CI.

14.5. The Administering Organisation shall ensure that, unless otherwise approved by the Minister, all PIs named in Schedule A or subsequently approved to perform any Project meet the criteria specified in clause 7.1 and 7.3 of the Funding Rules for the full term of their participation in the Project as a PI.

14.6. The Administering Organisation must ensure that each Australian based PI who is to work on a Project has the approval of her/his employing organisation to participate in the Project.

14.7. The Administering Organisation is not required to obtain the agreement of the employing organisation of an overseas PI to participate in the Project (unless that PI is employed by an Australian organisation).

15. **Change of Specified Personnel**

15.1. If a CI or PI is at any time during the term of a Project no longer able to continue the Project, the Project may be continued under one or more other CIs or PIs provided that:

a) there is at least one CI who was an original CI on the Proposal working on the Project;

b) all replacement or additional CIs or PIs ('New Personnel') meet the eligibility criteria as specified in the Funding Rules for the particular role they are to perform, for the periods for which they are to perform that role;

c) all replacement CIs or PIs have a research expertise which is commensurate with the standard of the original research team which was awarded the Project;

d) approval is sought from the Scheme Coordinator for the change in Specified Personnel and 'New Personnel':

i. by completing and forwarding a Variation of Funding Agreement form available on the ARC website and attaching the documents specified as required including the curriculum vitae of the 'New Personnel'; and

ii. within 3 months of the date that the Specified Personnel cease working on the Project.
e) If 'New Personnel' are proposed for a Project, the Administering Organisation must obtain certifications from the 'New Personnel' and their employers which have the same effect to those required to be obtained for the other Specified Personnel on the Project; and

f) the change is approved, in writing, by the ARC if the person being replaced was the Project Leader.

16. Relinquishment of the Project

16.1. If, at any time during the Funding Period, the Administering Organisation chooses to relinquish a Project, Funding for the Project will be terminated. In such cases, any unspent Funding for the Project will be recovered by the Commonwealth.

17. Transfer of Project or Specified Personnel

17.1. The Administering Organisation must promptly notify the Scheme Coordinator of any Specified Personnel on the Project who moves to an Eligible Organisation other than the Administering Organisation at any time during the Funding Period for that Project.

17.2. If the transferring Specified Personnel is the Project Leader, then the Administering Organisation may seek the ARC’s approval for the transfer of the Project to a new Eligible Organisation by submitting a Variation of Funding Agreement request outlining arrangements for the continuation of the Project and the continued administration of the Funding.

17.3. If the proposed arrangements include a transfer of the Funding from the Administering Organisation to another Eligible Organisation which will then become the new Administering Organisation ('recipient Eligible Organisation'), the ARC shall have regard to the circumstances surrounding the proposed transfer and may approve the transfer subject to such conditions as the ARC considers appropriate. The request must provide evidence that the following parties agree to the transfer:
   a) the Administering Organisation;
   b) the Collaborating Organisation(s); and
   c) the 'recipient Eligible Organisation'.

17.4. When a Proposal is requesting the transfer of Funding the ARC may approve the transfer of unspent Funds and indicative Funding for the Project and any Assets as outlined in clause 22.3 to the 'recipient Eligible Organisation'.

17.5. If ARC approval is granted in such circumstances to transfer the Funding (and any Assets) to the 'recipient Eligible Organisation':
   a) the Administering Organisation must:
      i. agree to any variation or termination (as applicable) of this Agreement proposed by the ARC, to give effect to the changed Funding arrangements;
      ii. provide to the ARC, in writing, the amount of all unspent Funds for the Project and pay the ARC such unspent Funds. The ARC may then provide the unspent Funds to the 'recipient Eligible Organisation';
iii. report expenditure of Funding for the Project prior to the transfer in its End of Year Report and identify the transfer in the relevant column; and

iv. comply with any other directions reasonably given by the ARC to give effect to the transfer;

b) the 'recipient Eligible Organisation' will be required to:
   i. enter into a new, or vary an existing, Funding Agreement it has with the ARC to give effect to the changed Funding arrangements for the Project;
   ii. report expenditure of Funding for the Project subsequent to the transfer in its End of Year Report and identify the transfer in the relevant column; and
   iii. enter into a written agreement with the Project’s Collaborating Organisations of the type set out in clauses 10.1 and 10.3.

17.6. If a CI changes organisation and the ARC approval is not given for arrangements for the continuation of the Project and the continued administration of the Funding, the Project may be terminated and any unspent funds recovered by the ARC.

17.7. If Funding for a project which was previously administered by another Eligible Organisation is to be transferred to a new Administering Organisation, party to this agreement, the new Administering Organisation must ensure that the project which is being transferred, including any transferring Specified Personnel performing the project, satisfy the eligibility and accountability requirements of the Funding Rules and terms and conditions of this Agreement.

17.8. Relocation expenses will not be paid on the transfer of any Specified Personnel from the Administering Organisation to the 'recipient Eligible Organisation'.

17.9. The Project including any infrastructure, equipment or facilities purchased with either the Funding or the Project’s Organisational Funding Contributions must not be transferred to the 'recipient Eligible Organisation' until Ministerial approval for the transfer of the Funding is granted.

18. Negation of Employment by the Commonwealth

18.1. Specified Personnel, the Administering Organisation, Collaborating Organisations or Partner Organisations must not represent themselves as being employees, partners or agents of the Commonwealth, or as otherwise able to bind or represent the Commonwealth.

18.2. Specified Personnel, the Administering Organisation, Collaborating Organisations or Partner Organisations shall not by virtue of this Agreement or for any purpose be deemed to be, employees, partners, or agents of the Commonwealth, or as having any power or authority to bind or represent the Commonwealth.

19. Conduct of Research

19.1. The Projects must be conducted in accordance with the approved Proposal subject to any Special Conditions specified in this Agreement and with any other requirements or
conditions imposed by the ARC in connection with any Funding covered by this Agreement.

19.2. The Administering Organisation must ensure that any Project under this Agreement will not proceed without appropriate ethical clearances from the relevant committees and/or authorities referred to in Schedule B or prescribed by the Administering Organisation’s research rules. Responsibility for ensuring that such clearances have been obtained remains with the Administering Organisation.

19.3. All parties involved in or associated with a Project are required to disclose to the ARC and the other parties involved in the Project (including Collaborating Organisations), any actual or potential Conflict of Interest which has the potential to influence, or appear to influence, the research and activities, publications and media reports, or requests for funding related to the Project.

19.4. If the Administering Organisation or any Specified Personnel become aware of any such actual or potential Conflict of Interest relating to any party involved in a Project, the Administering Organisation must:
   a) notify the ARC immediately of the nature and details of the Conflict of Interest; and
   b) have established processes in place for managing the actual or potential Conflict of Interest for the duration of the Project. Such processes must comply with the NHMRC/ARC/UA Australian Code for the Responsible Conduct of Research Practice (2007).

19.5. If the Administering Organisation or any Specified Personnel has failed to disclose a Conflict of Interest, the Commonwealth may do any of the things provided for in clause 5.3.

19.6. Each Project must, unless otherwise approved by the ARC in writing, conform to the principles outlined in the following and their successor documents which are accessible via the ARC website (http://www.arc.gov.au/about_arc/policy.htm):

a) take reasonable care of, and safely store, any data or specimens or samples collected during, or resulting from, the conduct of their Project;

b) make arrangements acceptable to the ARC for lodgement with an appropriate museum or archive in Australia of data or specimens or samples collected during, or resulting from their Project; and

c) include details of the lodgement or reasons for non-lodgement in the Progress Reports (if applicable) and the Final Report for the Project.

20.3. The ARC strongly encourages publication in publicly accessible outlets and the depositing of data and any publications arising from a Project in an appropriate subject and/or institutional repository.

20.4. The Final Report must justify why any publications from a Project have not been deposited in appropriate repositories within 12 months of publication. The Final Report must outline how data arising from the Project has been made publicly accessible where appropriate.

20.5. This clause survives the expiration or earlier termination of this Agreement.

21. ARC Assessments

21.1. The Administering Organisation must ensure that, for the term of this Agreement, if requested by the ARC, CIs agree to assess up to 20 new proposals for ARC funding per annum for each year of Funding.

21.2. If the ARC determines that a CI has failed to meet the obligation to assess proposals assigned by the ARC for assessment, the ARC will notify the Administering Organisation in writing of that failure.

21.3. If a CI does not undertake assessment of the assigned proposals within a period specified by the ARC of the notice referred to in clause 21.2 above, the Administering Organisation will be considered to be in breach of this Agreement and Funding for the relevant Projects on which the CI is listed as Specified Personnel under this Agreement may be terminated.

22. Assets

22.1. Unless otherwise approved by the ARC, Assets purchased with Funding must be purchased for the exclusive purposes of the Project for the duration of the Funding Period.

22.3. Unless otherwise approved by the ARC, the ownership of any Asset purchased wholly or partly with the Funding shall be vested in the Administering Organisation, located on its campus and listed in its assets register unless:

   a) otherwise specified in the Proposal or provided for in Schedule A;

   b) the Project is terminated, in which case the ARC may, by notice in writing, require the transfer of any such item of equipment to the Commonwealth; or
c) the Project is transferred to another organisation in accordance with clause 17, in which case, subject to the agreement of both the Administering Organisation and the recipient Eligible Organisation under that clause, the equipment purchased with Funds provided under this Agreement for the relevant Project may be transferred in accordance with clause 17.9.

23. **Intellectual Property**

23.1. The Administering Organisation must adhere to an Intellectual Property policy, approved by the Administering Organisation’s governing body, which has as one of its aims the maximisation of benefits arising from research. The ARC makes no claim on the ownership of Intellectual Property brought into being as a result of the Projects for which Funding is provided.

23.2. Unless otherwise approved by the ARC, the Administering Organisation’s Intellectual Property policy referred to in clause 23.1 must comply with the National Principles of Intellectual Property Management for Publicly Funded Research as amended from time to time.

23.3. The Administering Organisation, if it is not a Commonwealth Entity which is contracting on behalf of the Commonwealth, will indemnify the Commonwealth, its officers, employees and agents against any liability, loss, damage, costs and expenses arising from any claim, suit, demand, action or proceeding by any person in respect of any infringement (or alleged infringement) of Intellectual Property rights by the Administering Organisation, its employees, agents or subcontractors in the course of, or incidental to, performing the Project or the use by the Commonwealth of reports provided by the Administering Organisation under this Agreement.

23.4. The indemnity referred to in clause 23.3 shall survive the expiration or termination of this Agreement.

24. **Protection of Personal Information**

24.1. The Administering Organisation agrees with respect to all activities related to or in connection with the performance of the Project or in connection with this Agreement:

   a) to comply with the Information Privacy Principles set out in section 14 of the Privacy Act 1988;

25. Confidentiality

25.1. Subject to clause 25.2, the ARC agrees not to disclose any Confidential Information of the Administering Organisation, without the Administering Organisation’s consent.

25.2. The ARC will not be taken to have breached its obligations under clause 25.1 to the extent that the ARC discloses Confidential Information:

a) to its officers, employees, agents, external professional advisers or contractors solely to comply with obligations, or to exercise rights, under this Agreement;

b) to its internal management personnel solely to enable effective management or auditing of this Agreement or the National Competitive Grants Program or the Scheme;

f) as required or permitted by any other law, or an express provision of this Agreement, to be disclosed; or

g) that is in the public domain other than due to a breach of this clause 25.

25.3. The Commonwealth warrants that, for a period of three years from the date of submission of the Final Report for the Project it will consult with the Administering Organisation before any information which is contained in any reports related to the Project and which the Administering Organisation has indicated is confidential and should not be disclosed, is disclosed to any person other than an officer, employee, agent or member of the ARC or the Minister. If disclosure is required to other persons, the Commonwealth will discuss the intended terms of disclosure with the Administering Organisation.

26. **Compliance with Commonwealth Policies**

26.1. The Administering Organisation must, in carrying out its obligations under this agreement, comply with any Commonwealth policies as notified, referred or made available by the ARC to the Administering Organisation (including by reference to any internet site).

27. **Acknowledgments, Publications, Publicity**

27.1. Subject to commercial sensitivities and Intellectual Property considerations, the outcomes of Projects are expected to be communicated to the research community and, where appropriate and possible, to the community at large.

27.2. When, at any time during or after completion of a Project, the Administering Organisation or the researchers or any other party publishes, produces or is involved in promotional material, such as books, articles, television or radio programs, electronic media, newsletters or other literary or artistic works which relate to the Project, the Administering Organisation must ensure (wherever possible) that the ARC’s contribution and support of the Project is acknowledged in a prominent place and an appropriate form acceptable to the ARC. Similar efforts should be made when publicly speaking about a Project. Advice of acceptable forms of acknowledgement and use of the logo is provided on the ARC website.

27.3. This clause survives the expiration or earlier termination of this Agreement.

28. **Administration of the Funding**

28.1. The Administering Organisation must maintain reasonable, up-to-date and accurate records relating to the Funding in general, and the Projects conducted with the Funding in particular, to verify its compliance with this Agreement.

28.2. Records maintained under clause 28.1 must be retained by the Administering Organisation for each Project for a period of no less than seven years after whichever is the later of:
   a) the final payment of Funds by the ARC for the Project; or
   b) the final approved carryover of Funds for the Project.
29. Audit and Monitoring

29.1. The Administering Organisation is responsible for monitoring the expenditure of the Funding and certifying to the ARC that the Funding has been expended in accordance with this Agreement in the End of Year Report. If at any time, in the opinion of the Responsible Officer of the Administering Organisation, the Funding is not being expended in accordance with this Agreement, the Administering Organisation must take all action necessary to minimise further expenditure in relation to the Project and inform the ARC immediately.

29.2. The ARC may at any time conduct ad hoc on-site reviews to ensure that the terms of this Agreement are being, or were, met and that reports submitted to the ARC are an accurate statement of compliance by the Administering Organisation. Persons nominated by the ARC to conduct these reviews are to be given full access by the Administering Organisation, if required, to all accounts, records, documents and premises in relation to the Funding and the administration of the Funds in general.

29.3. The Administering Organisation must:
   a) provide information to the Scheme Coordinator, or a person nominated by the Scheme Coordinator, as reasonably required by the Scheme Coordinator;

      ii. premises occupied by the Administering Organisation; and
      iii. Material; and
   b) reasonable assistance to:

30.2. The access rights in clause 30.1 are subject to:
   a) the provision of reasonable prior notice by the ARC; and
   b) the Administering Organisation’s reasonable security procedures.
30.3. If a matter is being investigated which, in the opinion of the ARC, or any person authorised in writing by the CEO, may involve an actual or apprehended breach of the law, clause 30.2 will not apply.

30.4. Upon receipt of reasonable written notice from the ARC, or any person authorised in writing by the CEO, the Administering Organisation must provide any information required by the Commonwealth for monitoring and evaluation purposes.

30.5. Nothing in clauses 30.1 to 30.4 inclusive affects the obligation of each party to continue to perform its obligations under this Agreement unless otherwise agreed between them.

30.6. The Auditor-General, or a delegate of the Auditor-General for the purpose of performing the Auditor-General’s statutory functions, at reasonable times and on giving reasonable notice to the Administering Organisation, may:
   a) require the Administering Organisation to provide records and information which are directly related to this Agreement;

   c) where relevant, inspect any Commonwealth Assets and Commonwealth Material held on the premises of the Administering Organisation.

30.7. This clause shall survive the expiration or earlier termination of this Agreement.

31. Reporting Requirements

31.1. The Administering Organisation must submit the following reports and statement, in accordance with this Agreement and the Act, in the format required by the ARC, if specified.

31.2. End of Year Report
   a) The Administering Organisation must submit an End of Year Report by 31 March in the year following each calendar year for which the Funding was awarded. The first End of Year Report is due by 31 March 2014. The ARC will provide the Administering Organisation with a pro forma for this report.
   b) The End of Year Report will contain information on all expenditure for that year under the Approved Proposal on a Project-by-Project basis, including:
      i. any unspent Funds to be recovered by the Commonwealth;
      ii. any unspent Funds that the Administering Organisation is seeking to have carried over into the next year; and
      iii. the reasons why the unspent Funds are required to be carried over.
   c) Funds provided by the Commonwealth to the Administering Organisation which are not spent during the year of the Funding Period to which those Funds were allocated may be carried over if approved by the ARC. If the Administering Organisation wishes any Funds to be carried over from one year to the next year,
the Administering Organisation must request this approval in the End of Year Report for the calendar year for which those Funds were initially paid.

d) Where a carryover is requested for 75 per cent or more of the Funds allocated for a calendar year (excluding any Funds carried over from the previous calendar year), separate written justification must be provided.

e) Funds may be carried over more than twelve months only in exceptional circumstances and subject to approval by the ARC. Separate written justification must be provided in this instance.

31.3. Progress Report

a) A Progress Report must only be submitted if significant issues are affecting the progress of the Project. The Report must specify the actions being taken to address the issues. When required, a Progress Report must be submitted in respect of each affected ongoing Project by 31 January in the year following each full calendar year for which the Funding was awarded as directed by the ARC.

b) If the ARC is not satisfied with the progress of any Project, further payment of Funds will not be made until satisfactory progress has been made on the Project. If satisfactory progress is still not achieved within a reasonable period of time, the Funding may be terminated and all outstanding monies will be recovered by the ARC.

c) Unsatisfactory progress on any Project may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the CIs and will be taken into account in the assessment of those proposals.

31.4. Final Report

a) Unless otherwise approved by the ARC, the Administering Organisation must ensure that Final Reports are provided for each Project within twelve months of the final payment of Funds by the ARC for the Project or within twelve months of the final carryover of Funds approved by the ARC, whichever is the later. The form for this report will be made available by the ARC on the ARC website. The ARC may review the outcomes against the objective(s) of the Project as stated in the Proposal or any approved revised budget, aims and research plan.

b) The Final Report must justify why any publications from a Project have not been deposited in appropriate repositories within twelve months of publication. The Final Report must outline how data arising from the Project have been made publicly accessible where appropriate.

c) The ARC may also seek additional information about subsequent publications after submission of the Final Report.

d) If a Final Report is considered by the ARC to be inadequate or is not submitted on time, the Administering Organisation for the Project may be contacted for further information. If the ARC is not satisfied with the outcomes of the Project, this may be noted against any further proposals under any ARC scheme submitted by, or on behalf of, the CIs, and may be taken into account in the assessment of those proposals.
e) Proposals submitted under any ARC scheme by, or on behalf of, any CI on a Project for which the Final Report is outstanding may be deemed ineligible for approval of Funding.

31.5. Audited Financial Statement
a) The Administering Organisation must submit an Audited Financial Statement by 30 June for each year following each calendar year for which the Funding was awarded.

b) In completing the Audited Financial Statement, the Administering Organisation must ensure that the amount shown in that statement as ‘approved carry forward Funds’ is the same as the amount (if any) for which approval was given by the ARC to carry over in the End of Year Report.

31.6. This clause survives the expiration or earlier termination of this Agreement.

32. Australian Research Integrity Committee
32.1. The Administering Organisation must provide to the Australian Research Integrity Committee (ARIC) upon request, any documentation and information concerning allegations of its mishandling of internal reviews into alleged cases of research misconduct, and/or non-compliance with the Australian Code for the Responsible Conduct of Research (2007). ARIC may be contacted via a link on the ARC website (http://www.arc.gov.au/general/research_integrity.htm).

33. Copyright in Proposals and Reports
33.1. Copyright in any Proposal and all reports provided under this Agreement will vest in the Administering Organisation at the time of creation but the Administering Organisation grants to the Commonwealth a permanent, irrevocable, royalty-free, non-exclusive licence to use and reproduce information contained in a Proposal or a report and publish it on a non-profit basis for any purpose related to:

a) the evaluation and assessment of proposals;

b) verifying the accuracy, consistency and adequacy of information contained in a Proposal, or otherwise provided to the ARC;

c) the preparation and management of any Funding Agreement;

d) the administration, auditing, management or evaluation of the National Competitive Grants Program or any Funding scheme administered by the ARC; or

f) or where the use, reproduction or publication of the material is authorised or required by law.
33.2. If a Proposal or a report contains information belonging to a third party, the Administering Organisation must ensure that it has in place all necessary consents sufficient to allow the ARC to deal with the information or any report in accordance with this Agreement.

33.3. This clause survives the expiration or earlier termination of this Agreement.

34. Recovery of Unspent Funds or Overpayments of Funds

34.1. Any unspent Funds may be recovered by the Commonwealth including any amount of Funding paid to the Administering Organisation which exceeds the amount of financial assistance that is properly payable to it.

34.2. The Commonwealth may offset the unspent or overpaid Funds against the total of any further Funds payable to the Administering Organisation.

34.3. This clause survives the expiration or earlier termination of this Agreement.

35. Indemnity

35.1. The Administering Organisation, if it is not a Commonwealth Entity which is contracting on behalf of the Commonwealth, will indemnify the Commonwealth, its officers, employees and agents against any liability, loss, damage, costs and expenses arising from any claim, suit, demand, action or proceeding by any person, where such loss or liability was caused by a wilful, unlawful or negligent act or omission of the Administering Organisation, its employees, agents or subcontractors in connection with this Agreement.

35.2. The Administering Organisation’s liability to indemnify the Commonwealth under clause 35.1 shall be reduced proportionally to the extent that any act or omission of the Commonwealth or its employees or agents contributed to the loss or liability.

35.3. The indemnity referred to above shall survive the expiration or termination of this Agreement.

36. Insurance

36.1. The Administering Organisation must effect and maintain adequate insurance or similar coverage to cover any liability arising as a result of its participation in LIEF Projects and, if requested, provide the Commonwealth with a copy of the relevant policies or when appropriate Certificate of Currency. a) the Party claiming there is a dispute will notify the other Party in writing, setting out the nature of the dispute;
b) the Parties will try to resolve the dispute through direct negotiation, including by referring the matter to persons who have authority to intervene and direct some form of resolution;
c) the Parties have 10 business days from the date of the notice to reach a resolution or to agree that the dispute is to be submitted to mediation or some alternative dispute resolution procedure;
d) if:
   i. there is no resolution of the dispute;
   ii. there is not agreement on submission of the dispute to mediation or some alternative dispute resolution procedure; or
   iii. there is a submission to mediation or some other form of alternative dispute resolution procedure, but there is no resolution within 30 business days of the submission, or such extended time as the Parties may agree in writing before the expiration of the 30 business days;
then either Party may commence legal proceedings.

37.3. This clause 37 does not apply to action that the Commonwealth takes, or purports to take, under clause 5, 34 or 38 or where a Party commences legal proceedings for urgent interlocutory relief. Clause 5 relates to payment of Funds, clause 34 relates to recovery of unspent Funds or over-allocated Funds, clause 38 relates to termination.

37.4. Despite the existence of the dispute, the Administering Organisation must (unless requested in writing by the Commonwealth not to do so) continue to perform its obligations under this Agreement.

38. Termination of the Agreement

38.1. The ARC may immediately terminate Funding for a Project by notice in writing to the Administering Organisation if:

a) the Administering Organisation must immediately take all available and reasonable steps to stop any further expenditure of Funding on the Project;
b) the Administering Organisation must provide the reports required by this Agreement unless otherwise specified by the Commonwealth; and
c) the ARC may recover all or any Funding for the Project in accordance with clause 5.3.

38.3. Any amount notified to the Administering Organisation as payable under clause 38.2(c) is a debt due to the ARC (without further proof of the debt being necessary), payable within 30 days of the date of the notice.

38.4. Subject to clause 22.3, after the expiration or termination of this Agreement the Administering Organisation retains ownership of all Assets purchased using the Funds.

Administering Organisation with an acknowledgment that the officer, employee, agent or subcontractor is aware of the provisions of the section.

The Administering Organisation must retain all certificates relating to the above and will provide evidence to the Scheme Coordinator if required to do so. The Administering Organisation must be accredited with the Office of the Gene Technology Regulator.
